CREDIT UNION

Incoming Wire Transfer Instructions

This is a generic instruction sheet created by the credit union as a convenience to our members. Please note that you may be required to complete a separate form for the sending financial.

Instructions:
   1. Contact the sending financial and give them the following information to send your wire transfer.

Wire to:	**Summit Credit Union**
Short name/telegraph name:	**Summit CU**
Credit Union Address	**1709 Landmark Dr. Cottage Grove, WI 53527**
Credit Union Routing number:	**275979034**
Beneficiary/Final credit to:	*Member/Business* Name* *Account Number* *Share ID* *Summit Account Address*

*If your wire is coming into a business account, please use the full business account name on the incoming wire instructions. If an individual's name is used the wire *could* be returned.

Note: For incoming foreign wires transfers, Summit does not have a Swift Code, IBAN or other international routing code, nor do we have a correspondent bank. You are able to wire funds directly to your Summit Credit Union account using our ABA routing number: 275979034. International financial institutions will have a US corresponding bank that will transfer the funds to Summit.
